

A PODCAST ABOUT FREE BLACK WOMEN

Nothing soothes the soul like setting yourself free!

ABOUT KETURAH KENDRICK

She's a new voice of inspiration with a message for Black women around the world: "you are enough for you, and you are more than enough for me!" To call her Keturah Kendrick only opens the door of discovery to this woman who cannot be defined by a name or set of expectations. While she's a passionate teacher to her students, she's also an inspiring writer to her readers. She fulfills her life mission as an ambassador of freedom to black women, living and loving life beyond boundaries in order to create peace.

In the words of Keturah: "This podcast is about Black women all over the world, living out loud on their own terms, sharing their unique journeys to the center of themselves. Each episode features a 21st century Sista telling her story about how she got there; how she simply got free!"
